SUN LINE SHIPPING AGENCIES CO.

In the provisioning area, our company offers the very best provisions at competitive prices. In the first place, we are direct importers of provisions such as meats, cheeses, oils, as well as tinned meat, fish, vegetables and fruits. Additionally, our large business volume allows us to buy directly from best Egypt factories thus enjoying significant economies.

Our ability to rapidly transport all supplies to the supply location, guarantees that we only offer the freshest of the best products while we also ensure that provisions are maintained and packed carefully so that they reach their destination in excellent condition.
